Dear Potential Providers and Current Providers,

Unfortunately, we will cease contracting out foster care services due to a low volume of referrals. We will cease accepting new contract applicants effective immediately, however we will keep current contracts for the remainder of this fiscal year which ends August 31, 2010. If referrals come in during that time we will route them to contractors as clinically and geographically appropriate. Please note however, that we do have a variety of other services open to contractors currently and more are opening in the next year. We encourage you to consider applying for these contracts, if you are interested.

Procurement details are on our website at www.mhmraharris.org. The Mental Health Local Network Development Plan on the website also lists additional services to be procured in the next year. As always, if you have questions or want to discuss additional opportunities, our contact information is listed below.

You may contact us at 713-970-3400, option 4 or via e-mail at www.mhnetworkdevelopment@mhmraharris.org.

Thank you for your continued support of our agency, our community, and above all our consumers.

Sincerely,

Cami Manley, MS, LPC
Practice Manager – MH Authority Support Services
