

Public Notice

MHMRA of Harris County is the Texas Department of State Health Services (“DSHS”) designated Mental Health Authority (MHA) established to plan, coordinate, develop policy, develop and allocate resources, supervise, and ensure the provision of community based mental health services for the residents of Harris County, Texas. The MHA is conducting Open Enrollment to expand our network of service providers for adult mental health clients assessed into Service Package 3-Rehabilitative Services for the contract period of Fiscal Year 2010. The provider enrollment period will be continuous or until the Local MHA has received enough applications to meet the percentage of service capacity stated in the Request for Application (RFA)

SP3 services for the geographic area of Harris County to include:

- The general focus of services in this package is, through a team approach, to stabilize symptoms, improve functioning, develop skills in self-advocacy, and increase natural supports in the community and / or sustain improvements made in more intensive service packages. Service focus is on amelioration of functional deficits through skill training activities focusing on symptom management, independent living, self-reliance, non-job-task specific employment interventions, impulse control, and effective interaction with peers, family, and community. Services are provided in outpatient office-based settings and community settings.
