Mission Statement

ANGELS COMMUNITY LIVING CENTER provides individualized services to persons with mental retardation or related conditions who are living in their own or family homes or apartment, or coming out of an institution.

The treatment and services are provided to prevent the patients or individuals from being placed in an institution such as nursing homes or similar inpatient programs.

The services provided are intended to supplement instead of replace the services and supports a person may receive from his/her family.

Who We Are?

ANGELS COMMUNITY LIVING CENTER is a Home and Community-Based Services (HCS)/Texas Home Living Program (TxHmL). We provide a wide range of healthcare services in the consumer's homes.

Let ANGELS COMMUNITY LIVING CENTER assist and put the pieces together for you.

ANGELS COMMUNITY LIVING CENTER is a Home and Community-Based Services (HCS)/Texas Home Living Program (TxHmL) waiver program. Our team of nurses and qualified providers will provide quality and full nursing care and more in the privacy of the patient's own home or apartment. The nurse and other providers work closely with the doctors to monitor the consumer's needs and progress.

Clinical support is available 24 hours a day, 7 days a week.

ANGELS COMMUNITY LIVING CENTER is a Drug-free environment.
