Our Mission.....

Our mission is to ensure that individuals with developmental disabilities receive support geared towards optimal development. Our name is our mission.

Who we are.....

Lucky HealthCare Services, Inc. is a Home and Community-Based Services which is certified by the Texas Department of Mental Health and Mental Retardation. We strive to provide the highest quality of services. We also have the most dependable, skilled qualified caring and competent staff for our consumers.

Who we serve.....

Lucky HealthCare Services, Inc. (HCS program) provides its services to individuals with developmental disabilities. We have a non-denial policy in enrollment in HCS program. To receive our services, the individual must have:

- Eligibility for SS1 and medicaid
- A current level of Care and x117 form
- A current medical examination
- A determination of Mental Retardation
- A verification of informed choice

Our Services.....

Lucky HealthCare Services, Inc. provides the best quality of care with love, compassion, and respect to all our consumers and their families. We are staffed by qualified, skilled, experienced and Certified Professionals. Join us and experience the difference inc caring. That's our name "Lucky". We are proud of our caring modalities, distance not withstanding. We have zero deficiencies in all our surveys with the State auditors throughout the years we have been in business. We love and cherish the handicapped.

Among our services.....

Case Management
Residential Support
Supported Home Living
Supported Employment
Adaptive Aids
Habilitation Services
Homemaker Services
Minor Home Modifications
Nursing Services
Dietary Services
Occupational Therapy
Physical Therapy
Psychological Services
Social Services
Speech / Language Therapy
Audiology Therapy
Foster Care Services

Habilitation.....

Habilitation activities ensure optimal functioning through development of skills that enhance the individuals social, emotional communicative and physical well being. We provide or arrange transportation for individuals participation in Day Habilitation. We ensure that lessons taught at school, therapy are re-inforced at home setting.

Home-Maker Service.....

We give maximum support to individual's participation in activities that promote personal integration. Home maker consists of direct personal supervision of the individual to perform activities and/or encourage skill development in such areas as meal preparation, basic self help and hygiene such as bathing, toileting, grooming, eating, ambulating, and individuals personal care.

Counseling & Therapy.....

Our program offers specific assistance and support in counseling, diagnostic and therapeutic activities all directed at increasing the overall effective functioning of the individual. Some elements of counseling and therapy include speech / language pathology, physical therapy, occupational therapy, medical social worker and psychologists.

Nursing Service.....

Nursing involves performance of health care procedures and monitoring an individual's health condition. Our team of nurses are available to deliver nursing services at any time needed. Our resident nurse has over 30 years of nursing experience.

Respite Service.....

Individuals living in their family homes are eligible for the HCS respite services which include room and board for up to thirty (30) days per year, but may be used in an increment of as little as one hour at a time.

Adaptive Aids.....

Adaptive aids will be provided to those individuals who have need for them and who meet the Texas Department of Mental Health and Mental Retardation standards.

Minor Home Modifications.....

Minor home modifications includes assess for the need for such modification, arranging and providing the modification and/or improvements to a participants living quarters in order to ensure his or her safety, security and accessibility.
